

Nomination for the NDATA Hall of Fame

The highest honor a member of the NDATA can receive within the organization is induction into the NDATA Hall of Fame. The NDATA invites members to nominate eligible and deserving candidates for this prestigious honor to be recognized for their contributions to the profession of Athletic Training.

Any worthy individual, regardless of race, creed, sex, or physical disability, based on their contributions to the NDATA, as well as, to the profession of Athletic Training, may be nominated by any member of the state association in good standing. All nominations will be sent to the Honors and Awards Committee Chairperson for review. The Honors and Awards Committee, finding everything in order, will pass the recommendation(s) on to the Executive Board. The Board will vote on the recommendation(s) and presents the award(s) at the NDATA Spring Symposium.

To be eligible for nomination, a candidate must meet one of the following criteria:

- 1) 25 years of active athletic training in ND; currently licensed in ND.*
- 2) 20 years of active athletic training in ND; has been on a State Committee or the Executive Board; contributed to the profession of athletic training through publication, speaking, or participation in association projects; currently licensed in ND.*
- 3) Deceased NDATA AT, who has not met the length of service requirement, may be considered for induction based on professional accomplishments and/or service to the athletic training profession in the state of North Dakota*
- 4) If currently licensed in ND, may be nominated on a write in petition signed by 75% of the association membership.*
- 5) Anyone inducted into the NATA Hall of Fame will automatically be inducted into the NDATA Hall of Fame.*

Nomination Process:

- Complete Hall of Fame Nomination Form
- Provide two (2) Letters of Endorsement
- NDATA Hall of Fame Application completed by the nominated individual
- Submit all material to Honors and Awards Chair (Steve Westereng) by February 1st.
Email: steven.westereng@UND.edu
- Awards will be presented at the NDATA Spring Symposium (March/April)
